

Want to make your project even better?
Here's a list of Do's:

- Do use a computer to type titles and reports, and to create graphs
- Do use photos and images
- Do use contrasting colors
- Do put the display together neatly
- Do place materials evenly around the board
- Do check your spelling
- Do place appropriate materials on the table in front of your backboard
- Do make titles easy to read with large, even lettering
- Do space information out so it's easy to read
- Do bring a kit for last minute repairs
- Do use as short a title as possible
